

VISITORS TO SCHOOL

Students may not bring guests to school during the school day under most circumstances. Visitors may however be permitted with prior approval of the Vice Principal or Supervisor of Students. Approval must be requested in writing at least 72 hours in advance by the parent of the Tenafly High School student.

Adult and other visitors must first report to the Attendance Office to sign in. Visitors must show valid identification and will be issued a pass if approved for a visit. The main entrance (Attendance Office) for visitors and visitor parking spaces are located in the Administrative Lot on the east side of the school building. Short term (15 minute) parking is also available on the west side of the building on Newcomb Road.

Unauthorized visitors are not allowed on school property. Police complaints will be filed against trespassers.
